CELEBRATING THE 40TH ANNIVERSARY OF THE LEGAL SERVICES CORPORATION

HON. JOSÉ E. SERRANO OF NEW YORK

IN THE HOUSE OF REPRESENTATIVES

Thursday, July 24, 2014

Mr. SERRANO. Mr. Speaker, I would like to honor and congratulate the Legal Services Corporation (LSC) as they celebrate their 40th anniversary this Friday, July 25th.

In 1974, Congress established LSC to better ensure equal access to justice under the law. LSC was created with bipartisan support, and the authorizing legislation was signed into law by President Nixon. The goal of the program from the outset has been to ensure access to civil legal assistance to those who are otherwise unable to afford it. LSC does this by distributing federal funding to local legal aid providers who in turn use the funding to address the needs of our constituents. Today, the LSC distributes funding to 134 local providers who have offices in every congressional district in our nation, as well as in the U.S. territories.

The programs make a vital difference in the lives of millions of ordinary Americans each year. Lawyers funded by LSC help families facing unlawful evictions, women seeking protection from abuse, veterans seeking benefits, seniors defending against consumer scams, and mothers seeking child support. In my home town of New York City, LSC funding also provided crucial assistance to low-income individuals who faced problems as a result of Superstorm Sandy and had nowhere else to turn.

For all the good work that LSC-funded programs do, there is still more to be done. LSC funded entities are forced to turn away 50 percent of eligible individuals seeking assistance. This gap, known as the justice gap, shows that we have come a long way, but we must do more to ensure there is adequate funding for LSC and the programs that they serve. As a Member of the Appropriations Committee, I will continue to fight to increase funding for this worthy program.

Mr. Speaker, justice should not be limited only to those who can afford it. Equal access to our justice system is at the essence of our democracy. Our court system should allow everyone who has a legitimate grievance to pursue justice with the best possible representation. For the past 40 years, LSC and all of its grantees have helped ensure that our nation lives up to these ideals. I hope my colleagues will join me in congratulating LSC for their good work over the past 40 years.
